Notice of Workshops to Solicit Comments on Proposed Amendments to Nevada Administrative Code (NAC) 445B.221 AIR CONTROLS: AIR POLLUTION

The Nevada Division of Environmental Protection (NDEP) is proposing to adopt regulations amending NAC 445B. 221. The following workshop has been scheduled to solicit comments from persons interested in the regulatory amendments described below.

CARSON CITY

May 28, 2009

10:00 AM to 12:00 Noon

**Nevada Division of Environmental Protection
Great Basin Conference Room (4th Floor South)
901 South Stewart Street**

Temporary Petition 2009-01: Adopting Federal Rules by Reference. NDEP is proposing to adopt by reference into state regulation new and revised federal *New Source Performance Standards (NSPS)* and *National Emission Standards for Hazardous Air Pollutants (NESHAPs)* that have been promulgated by the U.S. Environmental Protection Agency (EPA) since the NAC was last updated. The NDEP is delegated the implementation of the federal NSPS and NESHAP programs relevant in Nevada, however, it is necessary to keep the State's "adoption by reference" regulation (NAC 445B.221) up to date so that EPA can continue to delegate the implementation of new and revised rules to the state. NDEP is also proposing to adopt certain relevant federal test methods.

The proposed amendments and related materials are available on the State Environmental Commission website at:

http://www.sec.nv.gov/main/hearing_061709.htm; see agenda item 4. A copy of materials relating to the proposed regulations also may be obtained at the workshop or from Paul Williams at NDEP, 901 S. Stewart Street, Suite 4001, Carson City, NV 89701; (775) 687-9543; or e-mail to pawilliams@ndep.nv.gov. Members of the public who are disabled and require special accommodations or assistance at the meeting are requested to notify Paul Williams no later than 3 working days before the workshop.

This notice has been posted at the Nevada Division of Environmental Protection offices in Carson City and Las Vegas, at the State Library in Carson City and at County libraries throughout Nevada. 5/11/09
